

**The 38th Annual International Conference of the IEEE Engineering in Medicine and Biology Society  
(EMBC'16)**

**“Empowering Individual Healthcare Decisions through Technology”**

The 38th Annual International Conference of the IEEE Engineering in Medicine and Biology Society (EMBC'16) will be hosted at Disney's Contemporary Resort at Walt Disney World® Resort, Lake Buena Vista (Orlando), Florida USA on August 17-20. The overall theme of the conference is “Empowering Individual Healthcare Decisions through Technology” and will cover diverse topics from cutting-edge biomedical and healthcare technology research and development to clinical applications and biomedical education. The conference program will also feature high-profile keynote lectures, minisymposia, workshops, invited sessions, oral and poster sessions, sessions for students and young professions, and exhibitions.

All papers will be peer reviewed; accepted full-length (4 page) papers will appear in the Conference Proceedings and be indexed by IEEE Xplore and Medline/PubMed.

Please note that this invitation for participation does not, in any way, financially oblige either EMBC'16 or the IEEE Engineering in Medicine and Biology Society (EMBS) for the expenses you incur for travel and conference attendance, and all conference participants are expected to pay the registration fees according to conference policy. You will have access to a more customized Invitation letter (to include your name and paper information) once your paper has been accepted.
