BioStamp Research Connect™ Free Lunch Demo & Workshop (Register)

By: MC10 Inc.

Event Description

Attending [EMBC](#) and curious about the end-to-end sensor system that is reshaping research? Join us for lunch and see the [BioStamp Research Connect System](#) in action. We'll demonstrate the data capturing capabilities of our discreet, wearable sensors - packed with an accelerometer, gyroscope, and electrodes. We'll also explain the accompanying app and web portal that complement our sensors to create a seamless and organized research experience.

Stop by for lunch and a hands-on introduction to the [BioStamp Research Connect System](#) - hope to see you there!
